Afternoon	17:45	Late Club				

What to bring:		Imagination Station	Music in Motion	Pieces of Me	Sounds and Colours	Mystery Workshop
Packed lunch	Sun hat	<p>In honour of our weekly theme of 'love', we start off our week with a special workshop making our very own Valentine cards for someone special. Not only will your child be able to create their own card, but they will be inspired to write their own love poems too!</p>	<p>Continuing our week of positivity and love, this is a chance for your child to express themselves through movement. Whilst listening to 'She Loves You' and 'Here Comes the Sun' by The Beatles, the children will have the two songs of different tempo make them feel, their similarities and differences and whether this has an impact on the types of movement they choose</p>	<p>All aboard the Self Esteem Train! With recent reports claiming that on average 3 children in a class suffer with their mental health, it is widely recognised that mental wellbeing needs addressing. We've created a fun-filled afternoon of confidence boosting, learning resilience and ways to effectively manage anxiety through mindfulness</p>	<p>People all over the world - join hands. In this workshop, children will listen to 'Love Train' and discuss its message, along with the instruments they hear. They will then create their own poster promoting peace and unity, but not before forming our own Strings-Train and dancing around the room</p>	<p>Led by our fantastic Holiday Camp team, this workshop is kept top secret until the day - we promise that it will be fun, fun, fun!</p>
Snacks	Sun cream					
Water bottle	Coat					

Welcome Music and Games	Big Sing Song	Meet the Composer	Performarama	Feel the Rhythm	Imagination Station
<p>We start each day with a session that is the perfect introduction for new faces and returning children alike! Starting with a range of wonderfully interactive warm up games, your child will feel at home in no time. Our popular "buddy system" encourages children of all ages to become fast friends from the offset!</p>	<p>All you need is love! With February being the month of love, we will listen to and learn this Beatles classic, discuss its message and the importance of showing love to others</p>	<p>For this workshop, we will be looking at one of the most popular modern stars - Bruno Mars! We will be focusing particularly on the song 'Just the Way You are', dissecting the lyrics and talking about the importance of loving yourself</p>	<p>Where is the Love? With our hearts full of kindness, we will listen to this Black Eyed Peas hit, before creating our 'positive message song'. Whether in the form of a rap or a song, this is your child's chance to be creative and get their message across! Smaller children will also have the opportunity to sing 'How Far I'll go' from Disney's Moana.</p>	<p>This amazing workshop gives each child the chance to feel good through learning about the rhythm, tempo and dynamics of the song 'On Top of the World'. These rhythmical activities ultimately enhance the skills children use for language, concentration and co-ordination</p>	<p>Get creative with this fun-filled superhero workshop! Children will be encouraged to get creative whilst thinking about how they are a superhero! It's time to celebrate what makes us unique</p>

Learn Together, Play Together

Time to get into groups to learn an instrument! There's **ukulele for children aged 4-5 or guitar/violin depending on the location of camp**. Each session includes our exclusive "Musicianship Matters" – enabling your child to gain a wider understanding of the 'nuts and bolts' of music.

Grand Concert

A chance for your child and their new friends to proudly show you what they've learnt! By the end of the week your child will have experienced wonderful musical adventures, made new friends, and developed skills for life. Why not join us at a Term Time Courses starting soon? See www.thestringsclub.org.
