This fantastic workshop will not only build strength and stamina, but it will also encourage team work. A super fun way to start the day!

Friday 14th August

Pieces of Me North America

Kicking off our Friday is our extra special workshop series, exclusive to us and with your child's well-being at it's heart. This workshop that introduces children to the importance of valuing the uniqueness of each individual, the diversity of the society, and showing appreciation for others. Using a popular song Where Is The Love? - this will be one to remember for sure!

Performarama Europe

Mi Burro is a popular Spanish children's song which begins with the line: 'My donkey, my donkey has got an awful headache.' We will be finding out what the doctor tells the donkey to do to feel better! This fantastic workshop will not only help to build their confidence, but also encourages them to cooperate.

Learn Together, Play Together

Time to get into groups to learn an instrument! All children will be learning the ukulele. Each session includes our exclusive "Musicianship Matters" – enabling your child to gain a wider understanding of the 'nuts and bolts' of music. Unfortunately children will not be able to take an instrument home this summer.

Grand Concert

As we will not be able to welcome parents into the building, we are working out ways to still offer our end of Holiday Camp concert. One of the ways will be online however would only be possible via photo consent. We will also be looking at other ways such as using our outdoor space too.

A chance for your child and their new friends to proudly show you what they've learnt! By the end of the week your child will have experienced wonderful musical adventures, made new friends, and developed skills for life.
