Welcome and Music Games

We start each day with a session that is the perfect introduction for new faces and returning children alike! Starting with a range of wonderfully interactive warm up games, your child will feel at home in no time. Our popular "buddy system" encourages children of all ages to become fast friends from the offset!

What to bring:

Packed lunch	Snacks
Water bottle	Sun cream
Sun hat	Coat

Monday 27th July	<p>Meet the Composer David Bowie</p> <p>In this highly inspiring workshop, we will be introducing to the children the works of the iconic star. Your child will not only learn about his songs, but also his influence on everything from modern pop, the fashion industry, and his outlandish persona, inspiring generations to be themselves.</p>	<p>Pieces of Me David Bowie</p> <p>It's so important to take care of ourselves and take some time out to be mindful. In this relaxing and reflective session the children will get the opportunity to create their own hero masks and accessories which they will be able to take home; a gentle reminder that they can be their own heroes.</p>
	Tuesday 28th July	<p>Making Melodies Modern Stars</p> <p>Our 'Musical Heroes' week is not complete without a workshop on some of our modern day stars! We will be exploring the lyrics of "Wings" by Little Mix, "Tightrope" by Janelle Monae and "Don't be so hard on yourself" by Jess Glynne. These phenomenal artists are known for their songs of empowerment and promoting self-belief; words to inspire all. Can your child's songwriting skills match them?</p>
Wednesday 29th July		<p>Music In Motion Michael Jackson</p> <p>It's time to express yourself! Music has the ability to evoke a wide range of emotions. This workshop will encourage your child to express themselves by exploring the different emotions found within music before interpreting them through dance to Michael Jackson's Thriller and Beat It.</p>
	Thursday 30th July	<p>Imagination Station Madonna</p> <p>We could not have a musical legends week and not talk about Madonna! The children will be focusing on the upbeat pop hit "Holiday". We will be getting the children to reflect on their summer holiday so far and encourage them to create the ultimate collage or sculpture of their experiences and journeys.</p>
Friday 31st July		<p>Mystery Workshop</p> <p>The perfect chance for children to choose what they would to do - together! This could be anything from music-making to playing outside to making dens to beatboxing!</p>

Learn Together, Play Together

Time to get into groups to learn an instrument! All children will be learning the ukulele. Each session includes our exclusive "Musicianship Matters" – enabling your child to gain a wider understanding of the 'nuts and bolts' of music. Unfortunately children will not be able to take an instrument home this summer.

Grand Concert *

As we will not be able to welcome parents into the building, we are working out ways to still offer our end of Holiday Camp concert. One of the ways will be online however would only be possible via photo consent. We will also be looking at other ways such as using our outdoor space too.

A chance for your child and their new friends to proudly show you what they've learnt! By the end of the week your child will have experienced wonderful musical adventures, made new friends, and developed skills for life.
