# Welcome and Music Games

We start each day with a session that is the perfect introduction for new faces and returning children alike! Starting with a range of wonderfully interactive warm up games, your child will feel at home in no time. Our popular "buddy system" encourages children of all ages to become fast friends from the offset!

## What to bring:

Packed lunch	Snacks
Water bottle	Sun cream
Sun hat	Coat

## Monday 17th August

### Meet the Producer Walt Disney

Many children will recognise his iconic animated creations such as Mickey and Minnie Mouse, but do they know who is actually behind such creations? In this ever-so-exciting workshop, will be exploring the life and achievements of Walt Disney, discovering more about the characters!

### Sport Beat "Cars"

Get ready, steady, go! It's time to zoom around like Lightening McQueen and Holley Shiftwell. This specially curated sports activity will get the children moving about, impersonating characters from the film and working together as a team and as always it will plenty of fun!

## Tuesday 18th August

### Performarama "Inside Out"

Based on the popular film "Inside Out", this workshop will take your child to the most extraordinary location of all - inside their mind! We will be turning each child into different emotions and getting them to act out as their characters. This is a fantastic way to boost your child's confidence and to broaden their vocabulary of words and images!

### Pieces of Me "Inside Out"

In this inspiring session, we will be having a deeper look into what goes on inside our head, exploring various emotions and developing an understanding of different feelings. We will also be making connections between emotions and music - in the most fun and enjoyable way with lots of shapes and colours all based on the film "Inside Out".

## Wednesday 19th August

### Big Sing Song "Toy Story"

"You've Got A Friend In Me" is known to many as a joyful song of lasting friendship. What makes a good friend? Learning to feel valued for our individuality is fundamental to developing into confident individuals. Using this popular song from "Toy Story", we will be taking your child on a musical journey - singing and dancing on the way!

### Imagination Station "Toy Story"

Get ready to blast off in our wonderfully creative "Toy Story" workshop! This magical workshop will open the door to endless possibilities for your child - they'll be given the chance to design their own rocket, planet and maybe even aliens. This is not one to be missed!

## Thursday 20th August

### Sport Beat "Pirates of the Caribbean"

Arrgh me hearties! Join us as we play Pirate tag and search for gold on the lush Island's of the Caribbean. Not only will we be learning about some of the Caribbean Islands, but we will listen to the wonderful marvels of the Pirates of The Caribbean soundtrack. It's going to be a big adventure on this swashbuckle journey!

### Imagination Station "Pirates of the Caribbean"

Everybody has dreamed of having their very own treasure island and today is the day that dreams will come true. The children will have the opportunity to collectively create their ultimate treasure island; think palm trees, treasure boxes, new species of plants and animals. By the end of this session there will be some very talented architects and designer child prodigies out in the world!

## Friday 21st August

### Performarama "Alice in Wonderland"

We're all about getting active and physical at The Strings Club. Using the very best in music and drama, your child will get the chance to explore the Mad Hatter from "Alice in Wonderland" in more detail and even get the chance to create, design, and act out their very own tea-party! A great workshop to end the week and develop your child's confidence.

### Music in Motion "Alice in Wonderland"

Nothing is as it seems in Alice and Wonderland - absolutely nothing! In this topsey turvey session the children will get the opportunity to dream away to the song "In a World of My Own" and create their very own real life interpretations with bold colours and textures galore.

## Learn Together, Play Together

Time to get into groups to learn an instrument! All children will be learning the ukulele. Each session includes our exclusive "Musicianship Matters" - enabling your child to gain a wider understanding of the 'nuts and bolts' of music. Unfortunately children will not be able to take an instrument home this summer.

## Grand Concert

As we will not be able to welcome parents into the building, we are working out ways to still offer our end of Holiday Camp concert. One of the ways will be online however would only be possible via photo consent. We will also be looking at other ways such as using our outdoor space too.

A chance for your child and their new friends to proudly show you what they've learnt! By the end of the week your child will have experienced wonderful musical adventures, made new friends, and developed skills for life.
