

Holiday Camps - Instruments

Please take the time to read through the important information below regarding instrument choices available during our upcoming Holiday Camps in 2018 before booking with us.

If your child is aged **4-5** they will be placed in the **ukulele group** that works alongside the EYFS.

If your child is in **Years 1-6** we recommend the **violin** or **guitar groups**, depending on the instrumental group available for your chosen week.

Children must stay on their chosen instrument for that week. Please be aware that if you book for a Fridays only your child will not take part in the "Learn Together, Play Together" sessions as this is replaced with our End of Holiday Camp Concert.
